<p>2. Sake waarvan die Sinode kennis neem</p> <p>2.1 Gedurende hierdie termyn het die Deputate die fonds jaarliks op 'n vasgestelde bedrag van R200 000 gehou. Sodra die Deputate bewus geword het van nood, is briewe aan diakonieë gerig om die spesifieke nood onder hul aandag te bring.</p> <p>2.2 Sake wat aandag geniet het en waarvoor toekennings gemaak is of inligting deurgegee is: (met hierdie toekennings is die Sinodeopdragte nougeset nagekom):</p> <p>2.2.1 Hulp aan diakonie van GK Bellville.</p> <p>2.2.2 Hulp met brande in Harrismith-distrik.</p> <p>2.2.3 Hulp met droogte in Noordwes.</p> <p>2.2.4 Hulp met haelskade in Kwa-Thema.</p> <p>2.2.5 Hulp met aardbewing in Nepal.</p> <p>2.2.6 Hulp met aardbewing in Orkney.</p> <p>2.2.7 Hulp met siekte in Sannieshof.</p> <p>2.2.8 Hulp met siekte in Pretoria.</p> <p>2.2.9 Hulp met brandskade in Eden-omgewing.</p> <p>2.3 Hoewel die saak van die beskikbaarheid van hulpverlening aan diakonieë vir noodleniging gereeld in die kerkverband bekend gemaak word, ontvang die Deputate weinig aansoeke om hulp uit die noodfonds terwyl die vermoede bestaan dat daar tog nood bestaan. Die Deputate word genoodsaak om kragtens die Sinode-opdrag na aanleiding van mediaberigte self navraag te doen na nood wat mag bestaan.</p> <p>2.4 Met verwysing na artikels 2.2.3 en 2.2.4 hierbo kan die Deputate kragtens 'n vorige Sinodebesluit nie betrokke raak met versoeke om finansiële hulp ten einde mediese kostes te dek nie. Tog rig diakonieë sodanige versoeke om hulp. Die gebruik is om sodanige versoeke in die kerkverband bekend te maak. Die praktyk het getoon dat diakonieë die meriete van sodanige sake versigtig oorweeg en dan positief reageer.</p> <p>2.5 Met een aansoek om bystand aan 'n diakonie was die Deputate genoodsaak om meer inligting te bekom. Dit het geblyk dat die diakonie eie fondse en ook bydraes van naburige diakonieë nie met oordeel aangewend het nie. Beoordeling het plaasgevind en</p>	<p>2. Matters that the Synod take note of</p> <p>2.1 During this term the Deputies kept the fund to a set amount of R200 000 per year. As soon as the Deputies learned of need, letters were forwarded to deaconates to inform them of this specific need.</p> <p>2.2 Matters that were addressed and received funds or information were (these awards were made in strict adherence to Synod instructions):</p> <p>2.2.1 Aid to the deaconate of GK Bellville.</p> <p>2.2.2 Aid with fires in Harrismith district.</p> <p>2.2.3 Aid with drought in North West.</p> <p>2.2.4 Aid with hail damage in Kwa-Thema.</p> <p>2.2.5 Aid with earthquake in Nepal.</p> <p>2.2.6 Aid with earthquake in Orkney.</p> <p>2.2.7 Aid with illness in Sannieshof.</p> <p>2.2.8 Aid with illness in Pretoria.</p> <p>2.2.9 Aid with fire damage in Eden area.</p> <p>2.3 Although the availability of assistance from deaconates is regularly conveyed to the churches, the deputies receive few applications for aid from the emergency fund. It is, however, suspected that there is indeed need. The Deputies are forced to make enquiries about possible needs based on media reports, upon instruction by the Synod.</p> <p>2.4 The Deputies could not become involved with requests for financial aid for covering medical costs, in reference to points 2.2.3 and 2.2.4 above, due to previous Synod decisions. Yet deaconates submit such requests for assistance, which are then conveyed to the churches. Past experience has shown that deaconates carefully consider the merits of such matters and then react positively.</p> <p>2.5 One request for assistance to a deaconate required the Deputies to obtain further information. It seemed that the deaconate had not applied the funds and contributions from neighbouring deaconates with prudence. The case was evaluated, but</p>

<p>geen ag is aan goedbedoelde raad gegee nie. Die Deputate het gee keuse gehad as om enige bystand te weier.</p> <p>3. Sake waaroor die Sinode besluit <u>Aanbeveling</u></p> <p>3.1 Die te benoeme Deputate die opdragte (punt 1) kontinueer.</p>	<p>no heed was taken of well-intentioned advice and the Deputies had no choice but to refuse assistance.</p> <p>3. Matters that the Synod decide on <u>Recommendation</u></p> <p>3.1 The appointed Deputies are to continue with the instructions of the mandate (point 1).</p>
