25.1 RAPPORT SENDINGDEPUTATE – SENDINGORDE

25.1 REPORT MISSIONARY DEPUTIES – MISSIONARY ORDER

<p>1. Opdrag Acta 2012:515 en Acta 2015:484 besluite geneem deur die Algemene Sinode: om 'n Sendingorde vir die GKSA op te stel.</p> <p>2. Agtergrond Die Algemene Sinode het in 1964 'n Sendingorde goedgekeur (Acta 1964:62; 1967:240-242). Weens die hersiening van die GKSA KO, art 52 het die Sendingorde verval (Acta 1979:554, 2.2.3.4.4). Die onderwerp is in verskeie Sinodes daarna voortgesit (Acta 1982:577, 6; 1985:153, 21; 1988:380, 4.4; 1991:357, 4; 1994:268, 4). Die saak van 'n Sendingorde is vanaf 1997 tot en met 2015 op die Sinodes bespreek. Die Algemene Sinodes van 2012 en 2015 het besluit om 'n Sendingorde op te stel om die Sendingorde in ooreenstemming met KO, art 51 te bring. Verder is besluit dat Sendingdeputate hiervoor aangewys moes word.</p> <p>3. Mandate Acta 2012:515 and Acta 2015:484 decisions by the General Synod: to set up a Missionary Order for the GKSA.</p> <p>2. Background The General Synod approved a missionary order in 1964 (Acta 1964:62; 1967:240-242). Yet, due to the revised GKSA CO, art 52, the Missionary Order expired (Synod Acts 1979:554, 2.2.3.4.4). The topic proceeded in numerous Synods thereafter (Synod Acts 1982:577, 6; 1985:153, 21; 1988:380, 4.4; 1991:357, 4; 1994:268, 4). The Missionary Order matter had been debated at the Synods 1997 up to and including 2015. The General Synods of 2012 and 2015 decided to formulate a Missionary Order to bring it in line with the new CO, art 51, and that Missionary Deputies be appointed in this regard.</p> <p>3. <u>SENDINGORDE VAN DIE GKSA</u>	<u>MISSIONARY ORDER OF THE GKSA</u>
<p>4.1 <i>Missio Dei / missio ecclesiae</i> Sending begin met die Drie-enige God in sy ewige raadsplan (Ef 1). Na die sondeval het God die sondaarmens opgesoek (Gen 3:7) en Hy het 'n volk gevorm om deel van sy sending te wees (Gen 12:1-3). Hierdie Ou Testamentiese sendingfokus word in die Nuwe Testament bevestig. Die Here Jesus het self aan sy kerk die sendingopdrag gegee (Matt 28:18-20). Naas die liefdesgebod is die opdrag tot sendingwerk dus deel van die wese van die kerk. Die kerk wat nie sendingwerk doen nie is ongehoorsaam aan die Here. Sendingwerk word nie gedoen met die primêre doel om die getalle van die kerk te vermeerder nie, maar om gehoorsaam te wees aan die opdrag van ons Here, om die Evangelie na al die nasies te neem.</p> <p>Sending is afgelei van die woord <i>apostello</i> wat "stuur" beteken (Joh 20:21). Sending omvat die kerk se totale gerigtheid na buite, met ander woorde nie net die uitdra van die Evangelie met woorde nie, maar ook daade van liefde en barmhartigheid waarmee die verkondiging van God se liefde en barmhartigheid met konkrete daade bevestig word (vgl Matt 5:13-16; 44-47). Ons beklemtoon die noodsaak vir alle Christene om in tye van armoede, siekte, epidemies en alle vorme van onreg teenoor mense, hulle te beklee met die liefde van Christus.</p> <p>Evangelisering (<i>euangelizo</i>) beteken om die Goeie Boodskap aangaande Jesus Christus, o.a. sy lyding, dood en opstanding, te verkondig (vgl Hand 4:2; 8:35; 17:3).</p> <p>Kortliks saamgevat kan ons dit so stel: "Sending" is die totale gerigtheid van die kerk na buite, deur Woord- en daadverkondiging. "Evangelisering" is die sentrale element van hierdie gerigtheid na buite, naamlik die verkondiging van die Evangelie. Omdat evangelisering die kern van sending is en by sending inbegrepe is, word die woord sending in hierdie Sendingorde gebruik.</p>	<p>4.1 <i>Missio Dei / missio ecclesiae</i> Mission started with the Triune God in his eternal decree (Eph 1). After the Fall God engaged with the lost (Gen 3:9) and He formed a people to be part of his mission (Gen 12:1-3). This Old Testament missionary focus is confirmed in the New Testament. The Lord Jesus Himself gave his church the Great Commission (Matt 28:18-20). In addition to the love commandment, the Commission towards missionary work is therefore part of the essence of the church. A church not doing missionary work is disobedient to the Lord. Missionary work is not primarily done to raise the numbers of the church. It should be done in obedience to the Lord to proclaim his Gospel to all nations.</p> <p>Mission has been derived from the word <i>apostello</i> which means to "send" (John 20:21). Mission encompasses the church's total directedness to those outside; in other words, not only the carrying of the Gospel by means of words, but also by deeds of love and mercy (see Matt 5:13-16; 44-47). Therefore we affirm the great need for Christians to be clothed with compassion in the name of Christ, in the midst of poverty, disease, injustice and all forms of human misery.</p> <p>Evangelism (<i>euangelizo</i>) means to proclaim the Good Message of Jesus Christ – his suffering, death and resurrection are the contents of this message (see Acts 4:2; 8:35; 17:3). In short we may state: "Mission" is the total directedness of the church to the world outside, through proclamation by Word and action. Because "evangelism" is the core of, and included in mission, the word "<i>mission</i>" will be used henceforth in this Missionary Order.</p>
<p>4.2 <i>Doel</i> Die doel van sendingwerk is om deel</p>	<p>4.2 <i>Goal</i> The goal of missionary work is to be part</p>

<p>van God se ewige raadsplan van vrede te wees. Sending is in die eerste plek God se aktiwiteit. Hy bring die Evangelie aan mense wat verlore is, sodat God deur hulle verheerlik kan word.</p> <p>Verder is die doel om nuwe kerke te plant. As dit vir 'n "sturende kerk/gemeente" duidelik word dat daar genoeg lede is, asook lede met die gawes om ouderlinge en diakens te wees, moet hulle aangemoedig word om 'n kerk/gemeente te vorm. Terwyl die gemeente tot stand kom, is die nuwe gelowiges deel van die sturende kerk/gemeente. Die bediening van sakramente geskied onder toesig van die sturende kerk/gemeente.</p> <p>4.3 <i>Sendelinge</i> Sendelinge is bedienaars van die Woord wat volgens die bepalings van die Kerkorde deur die plaaslike kerk (of 'n kombinasie van plaaslike kerke) uitgestuur word en met die bepaalde Formulier vir die Bevestiging van Sendelinge bevestig word. Die roeping/beroeping en uitstuur geskied met of sonder die samewerking van ander kerke, en op advies van die Klassis. Sendingwerkers is persone wat behulpsaam is met sendingwerk, maar nie bevestigde bedienaars van die Woord is nie. Sulke sendingwerkers staan onder die toesig van 'n plaaslike kerk (of 'n kombinasie van plaaslike kerke).</p> <p>4.4 <i>Sendingopdrag</i> Die sturende kerk bepaal die sendingopdrag van 'n sendeling, met of sonder die samewerking van ander kerke. Indien nodig, kan die Sendingdeputate vir advies genader word. Die duidelik omskrewe sendingopdrag word in die beroepsbrief uiteengesit. Indien dit nodig raak om die sendingopdrag te verander, word dit op advies van die Klassis gedoen, volgens KO, artt 7, 10 en 11. Sendingwerkers moet ook uitgestuur word met 'n duidelik omskrewe sendingopdrag, tesame met advies van die Klassis indien nodig.</p> <p>4.5 <i>Samewerking met ander kerkverbande</i> Sendingwerk word onderneem met inagneming van kerkverbande met wie</p>	<p>of God's eternal counsel of peace. Mission is fundamentally the activity of God. He brings the Gospel to people that are still lost, so that God can be glorified through them.</p> <p>Furthermore, the goal is to plant new churches. If it becomes clear to a "sending church" that there are enough members, as well as members gifted to be elders and deacons, they have to be encouraged to institute a church/congregation. While being established, the new believers have to be part of the sending church/congregation. The ministry of the sacraments are under the supervision of the sending church/congregation.</p> <p>4.3 <i>Missionaries</i> Missionaries are ministers of the Word who, according to the provisions of the Church Order, are sent from local churches (or a combination of local churches) and who are ordained with the specific Formulary for the Ordination of Missionaries. The calling and sending happen with or without the cooperation of other churches, and upon the advice of the Classis. Missionary workers are non-ordained ministers involved in mission. Such missionary workers fall under the supervision of a local church (or a combination of local churches).</p> <p>4.4 <i>Missionary assignment</i> The sending church determines the assignment of a missionary, with or without cooperation of other churches. If necessary, the Missionary Deputies can be asked for advice. The assignment should be thoroughly formulated in the calling letter. If it becomes necessary to change the assignment, it is done upon the advice of the Classis according to CO, arts 7, 10 and 11. Missionary workers are also sent out with a well-formulated assignment, together with the advice of the Classis if necessary.</p> <p>4.5 <i>Cooperation with other denominations</i> Missionary work may be initiated with the cooperation of denominations with whom</p>

<p>die GKSA ekumeniese bande het. Indien sendingwerk in samewerking met ander kerke en kerkverbande onderneem word, word dit gedoen volgens die advies van die Sendingdeputate asook die Deputate vir Ekumeniese Sake (binnelands of buitelands). Die nodige dokumentasie wat die verpligtinge van die verskillende partye bevat, moet gereed wees, geteken wees en in bewaring gehou word.</p> <p>As 'n gemeente, kerkverband of sendingorganisasie wat saam met die GKSA-gemeentes wil werk, hulp of advies met sendingwerk in 'n spesifieke area benodig, kontak hulle die Sendingdeputate.</p> <p>4.6 <i>Nuwe kerke en kerkverbande</i> Nuwe kerke word volgens die bepalings van die Kerkorde gestig. Indien nuwe kerke wat tot stand gekom het nog nie in 'n eie kerkverband georganiseer is nie, vorm daardie kerke deel van die Gereformeerde Kerke in Suid-Afrika, totdat die nuwe kerkverband gevestig is.</p> <p>4.7 <i>Opleiding en toerusting van sendelinge en sendingwerkers</i> Sturende kerke moet toesien dat sendelinge en sendingwerkers die nodige opleiding ondergaan, volgens advies van die Sendingdeputate en die Teologiese Skool.</p> <p>4.8 <i>Koste van sending</i> Die versorging van sendelinge en sendingwerkers, en ander kostes vir sending, bly die verantwoordelikheid van die sturende kerk(e). Kerke kan vir sustentasie aansoek doen vir die versorging van sendelinge.</p> <p>4.9 <i>Eiendomme</i> Eiendomme wat in die sendingveld bekom is behoort aan die sturende kerke, maar behoort binne 'n redelike tyd aan die nuutgestigte kerk oorgedra te word.</p> <p>4.10 <i>Die Sendingdeputate van die Algemene Sinode</i></p> <p>4.10.1 <u>Aanwys van Deputate</u> Die Algemene Sinode wys 5 Deputate met 5 secundi en 3 adviseurs aan.</p> <p>4.10.2 <u>Koördinerings</u> Die Sendingdeputate koördineer alle</p>	<p>the GKSA have ecumenical ties. If, however, missionary work is undertaken in cooperation with churches with whom the GKSA do not have ecumenical ties, it should be done upon advice from the Missionary Deputies as well as the Deputies for Ecumenical Matters (domestic as well as foreign). The necessary documents, outlining the commitments of the relevant parties, should be drawn up, signed and filed.</p> <p>If a congregation, denomination or a missionary organisation who wants to work with GKSA churches requires help or advice with missionary work in a specific area, they have to contact the Missionary Deputies.</p> <p>4.6 <i>New churches and denominations</i> New churches are established according to the provisions of the Church Order. New churches that have been planted but have not yet established own denominations, form part of the GKSA until a new denomination has been established.</p> <p>4.7 <i>Training and equipping of missionaries and missionary workers</i> Sending churches have to ensure that missionaries and missionary workers receive the necessary training, according to the advice of the Missionary Deputies and the Theological Seminary.</p> <p>4.8 <i>Costs of missionary work</i> The financial care of missionary workers and missionaries, and other costs involved in missionary work, remain the responsibility of the sending church(es). Churches could apply for sustentation for the care of missionaries.</p> <p>4.9 <i>Properties</i> Properties acquired in the mission field belong to the sending churches, but should, after a reasonable period, be transferred to the newly instituted church.</p> <p>4.10 <i>The Missionary Deputies of the General Synod</i></p> <p>4.10.1 <u>Appointment of Deputies</u> The General Synod appoints 5 Deputies with 5 secundi and 3 advisors.</p> <p>4.10.2 <u>Coordination</u> The Deputies coordinate all the</p>

Hierdie kantoor verskaf aan al die kerke in die GKSA inligting oor sendingwerk, met die doel om te ondersteun en toe te rus.
