1.2.2 Wysiging van Kandidaatstudieprogram

Die implementering van die gewysigde Kandidaatstudieprogram waarvan Algemene Sinode 2012 alreeds kennis geneem het, sal na verwagting in 2018 plaasvind.

1.2.3 Buitengewone toekenning van Kandidaatsertifikaat kragtens KO, art 9

Die Kandidaatsertifikaat is sedert Januarie 2015 aan die volgende broeders toegeken, nadat die Kuratorium hom daarvan vergewis het dat die broeders aan die vereistes van die Kandidaatsertifikaat voldoen: IH Scholtz – Junie 2015; RM Britz – November 2015; R Janse van Rensburg – April 2016.

Verdere aansoeke is van agt kandidate ontvang waarvan vier onttrek het of afgekeur is, en vier tans volgens die voorskrifte van die TSP Senaat en Kuratore besig is met sekere akademiese werk en preekmaakoefening met die oog op die verwerwing van die Kandidaatsertifikaat.

1.2.4 Nuwe Direkte Bybelvertaling

Die Kuratore het in Junie 2004 kennis geneem van die besluit van die Bybelgenootskap om voort te gaan met ‘n nuwe brontaalgerigte vertaling van die Bybel in Afrikaans. Die Kuratorium het hom bereid verklaar om professore van die TSP vir sodanige vertaalprojek beskikbaar te stel binne die raamwerk wat deur die BGSA voorgestel word.

Die vertaling deur die boekspanne is voor Algemene Sinode 2015 afgehandel. Die professore wat in hierdie verslagtydperk betrokke is by die Ou Testament en Nuwe Testament Redaksiekommissies wat met hersiening- en afrondingswerk besig is, is emeritus proff GJC Jordaan en HF van Rooy. 1.2.2 Amendment of the candidate study programme

The amended candidate study programme, which General Synod 2012 already took note of, is expected to be implemented in 2018.

1.2.3 Extraordinary award of candidate certificate in terms of CO, art 9

The candidate certificate has been awarded to the following brothers, since January 2015, once the Curatorium had confirmed that the brothers fulfilled the requirements of the candidate certificate: IH Scholtz – June 2015; RM Britz – November 2015; R Janse van Rensburg – April 2016.

Another eight applications have been received, four of which withdrew or were rejected and four are at present completing certain academic work and sermon development exercises, in accordance with the stipulations of the TSP Senate and Curators, in pursuance of the candidate certificate.

1.2.4 New Direct Bible Translation (DBT)

The Curators were advised in June 2004 of the intention of the Bible Society to proceed with a new source-language direct translation of the Bible in Afrikaans. The Curatorium indicated its willingness to make professors of the TSP available for such a translation project, within the BGSA’s proposed framework.

The translation by the book teams was finalised before General Synod 2015. The professors serving on the Old Testament and New Testament Editing Commissions, during this reporting period, completing the revision and final editing, were retired profs GJC Jordaan and HF van Rooy. The New Testament Editing Commission’s work was completed in March 2017, while that of the Old Testament Editing Commission continues.

Retired profs GJC Jordaan and HF van Rooy have been appointed to the

leidingskomitee van die BDV, 'n komitee wat deur die Bybelgenootskap aangewys is om algemene sake tov die vertaling te behartig. Die Begeleidingskomitee sal by publikasie van die BDV waarskynlik ontbind.	Support Committee of the DBT, a committee tasked by the Bible Society to tend to general matters related to the translation. The Support Committee will most probably be disbanded upon publication of the DBT.
1.2.5 <u>Kuratore Program-evaluering (KPE)</u> Die Kuratore se verantwoordelikheid is onder meer om toesig te hou oor die kwaliteit, regsinnigheid en toereikendheid van die Kandidaats-program. Baie fasette van die kwaliteitsversekering en –kontrole behartig die Kuratore saam met die Fakulteit Teologie van die NWU, binne die Interne en Eksterne Program-evalueringsprosesse (die IPE- en EPE-prosesse). Die regsinnigheids- en toereikendheidskontrole van die Kandidaatsprogram kan egter nie binne die IPE- en EPE-prosesse hanteer word nie. Dit is dus nodig dat die Kuratore 'n proses vir regsinnigheids- en toereikendheidsversekering en kontrole volg, naamlik KPE. Dit word in elke siklus van die Kuratorium gedoen tov jaarvlakke en vakgroepe.	1.2.5 <u>Curators' Programme Evaluation (CPE)</u> The Curators' responsibilities *inter alia* include review of the quality, legality and adequacy of the candidate programme. Many of the facets inherent to such quality control and assurance are undertaken in cooperation with the Faculty of Theology of the NWU, as part of the Internal and External Programme Evaluation Processes (the IPE and EPE processes). Review of the orthodoxy and adequacy of the candidate programme can, however, not be undertaken as part of the IPE and EPE processes, which necessitates the Curators to conduct independent legal and adequacy assurance and control, namely CPE. This occurs in every Curatorium cycle in terms of year levels and subject groups.
1.2.6 <u>Samewerkingsooreenkoms tussen TSP en die Theologische Universiteit van de Gereformeerde Kerken (vrijgemaakt) in Kampen, Nederland</u> Ná onderhandelinge en wedersydse besoeke, is daar op 24 November 2016 'n ooreenkoms gesluit tussen die Teologiese Skool van die GKSA en die *Theologische Universiteit van de Gereformeerde Kerken (vrijgemaakt) in Kampen, Nederland*. Die ooreenkoms staan bekend as 'n memorandum van verstandhouding tov institusionele samewerking. Die doel van die samewerkingooreenkoms tussen die twee instellings van hoër teologiese opleiding, is die samewerking in spesifieke gebiede van hul aktiwiteite, tot eer en in diens van God, deur die bevordering van Gereformeerde geleerdheid en tot die akademiese en geestelike voordeel van die kerke verbonde aan hierdie instellings en die wêreldwye Gereformeerde gemeenskap (uittreksel uit aanhef van die ooreenkoms).	1.2.6 <u>Cooperation agreement between the TSP and the Theologische Universiteit van de Gereformeerde Kerken (vrijgemaakt) in Kampen, the Netherlands</u> After negotiations and mutual visits, the TSP of the GKSA and the *Theologische Universiteit van de Gereformeerde Kerken (vrijgemaakt) in Kampen, the Netherlands* entered into an agreement on 24 November 2016. This agreement is in the form of a memorandum of understanding to facilitate institutional cooperation. The aim of the agreement between the two institutions of higher theological training relates to cooperation in specific areas of their activities, to the glory and in service to God, for the promotion of Reformed education and to the academic and spiritual benefit of the churches affiliated to these institutions as well as the global Reformed community (excerpt from the preamble of the agreement).

Prof JJ Janse van Rensburg het sy status as predikant behou en kon voortgaan met fasette van sy werk as teologiese professor, waaronder sy navorsing asook die begeleiding van M- en D-studente.
